3. Loans availed from Government of India

The final liability of GOI loan as on 31.03.2016 as approved by Cabinet Committee on Economic Affairs (CCEA) is ₹558.53 crore. As committed, Port had been paid the first and second installments of ₹55.85 crore each in March 2019 & March 2020. Further, CCEA approved the proposal of CoPA for granting Moratorium for repayment of loan for 3 years (2020-21, 2021-22 and 2022-23) which was communicated by the Ministry vide letter No PD-25021/4/2013-COPT(Pt.I) (e 316731) dated

06.07.2022, thereby rescheduling the balance frozen amount of ₹446.83 crore in 8 years commencing from 2023-24. Looking to the huge deficit in pension and gratuity fund, upcoming liability towards wage revision of Class III & IV employees and other financial commitments which are likely to add financial strain on port, a proposal has been submitted to the Ministry for the waiver of balance outstanding GOI loan. Since the waiver proposal is in progress, CoPA has not remitted the instalment falling due in FY 2023-24.

4. Loan from Other Sources:

An amount of ₹2.64 crore was outstanding in the books of CoPA towards outstanding ADB/ Dutch loan including interest thereon which was availed by the Port in 1990's. During the year 2018, Ministry informed the port that as per the records of the ministry, an amount of ₹0.36 crore is outstanding and directed the port to settle it. Accordingly, Port settled the dues with the approval of Board in 2018. Since, the port has settled the dues as per Ministry's record and since there is no further claim from the Ministry, the balance outstanding loan in the books of CoPA was written off with the approval of competent authority during FY 2023-24.

5. Compliance to Accounting Standards:

Consequent to enactment of the Major Port Authorities Act, 2021, accounting standards are applicable to Major Port Authorities. Hence, in order to ensure uniform framework of presentation of accounts and compliance to accounting standards, the Indian Port Association has engaged the Institute of Chartered Accountants of India (ICAI) for preparing a common framework, Contents, Form & Timeline of Placement of Annual Accounts of Major Ports in India which is under progress. Till a uniform guideline on common frame work is being issued with the approval of Ministry in this regard, Port shall continue the existing practice as decided by IPA Governing Body in its meeting held in March 2022.

6. Capital Reserves:

Capital Profit to the tune of ₹ 2.87 crore resulted on sale of Fixed Assets over an above the original cost is transferred to Capital Reserves during the year.

7. Statutory Reserves:

As per Ministry's direction in 1976, two statutory reserves viz. Replacement, Rehabilitation and Modernisation of Capital Assets and Development, Repayment of Loans and Contingencies shall be created by transferring 3% each of the Capital Employed amount to these funds.

During the year 2023-24, CoPA has transferred ₹ 11.46 crore towards these reserves including shortfall in previous years of 2021-22 and 2022-23 as shown below :

Year	Capital Employed (₹ In Cr)	Statutory Reserves to be created @ 3% each (₹ In cr)

their share towards the 50% amount advanced by Cochin Port and all the three co-developers have reimbursed their share of ₹26.97 lakhs each.

12 Land Acquisition Appeals (LAA 706/2013 & 11 Ors) filed by State of Kerala challenging the judgment in LARs by Sub-Court, Kochi, was dismissed by the High Court vide judgment dated 05.10.2023. The scope of filing appeal against the judgment is being analysed by Legal Advisor.

(iv) Cochin Port had given work order for "Supply, erection, testing and commissioning of 3 nos. 20 meters High Mast lighting system at the Cochin Fisheries Harbour" to M/s. Ambligola Exporters, Bangalore at a total contract value of ₹16,77,000/- on 02.07.2012 with a completion period of 3 months. But there was a delay of five months in completing the work by the contractor. An amount of ₹5,02,278/- was deducted towards LD, reinstating charges of the cable trenches and filling the foundation pit using JCB. M/s. Ambligola Exporters, filed a case before the Hon'ble Munsiff Court, Kochi against Cochin Port and the judgment of the Court went in favour of the Plaintiff M/s. Ambligola Exporters, directing Cochin Port to pay ₹5,16,708/- to M/s. Ambligola Exporters with interest @6% per annum. An appeal was filed before the Hon'ble District Court against the judgment passed by the Hon'ble Munsiff Court on 15.03.2019.

The same was dismissed by Hon'ble District Court, Ernakulam, on 15.2.2024.

(v) As per the award dated 20.06.2020 issued by the Conciliator, in connection with the work of dredging for maintenance of channel and basins of Cochin Port for the year 2017-18, Cochin Port may retain 10% as well as the security deposit and to release 15% of the bill amount to DCI as against the withheld amount of 25%. Accordingly, with the approval of the Board [Reso. No.50 (Agenda Item No. B2) dated 28.08.2020] and after obtaining DCI's undertaking that the release of ₹11.95 crore plus GST (total amount ₹14.09 crore) is full and

final settlement of the subject contract, the payment of ₹11.95 crore has been released.

However, subsequently, DCIL vide letter dated 22.01.2021 and 23.10.2021 claimed to release the SD amount of ₹5.59 crore withheld. Cochin Port has not agreed to DCIL's request and informed vide letter dated 25.11.2021 based on the advice of LA.

In this regard, DCI vide letter dated 04/05/2022, intimated that they are invoking Arbitration Proceedings and requested CoPA to propose its name for appointment of Arbitrator in the subject matter. In reply, CoPA vide letter dated 14/06/2022 informed that there is no scope to open the case or reconsider and as such CoPA is unable to accede to their claim for refunding the security deposit of ₹5.59 crore and also to appoint any Arbitrator in this regard.

Additional claim of DCI amounting to ₹ 3.89 crore was disputed by the port for which DCI went for arbitration and won the case in January 2008. As per the award, DCI is eligible for interest @ 15% p.a. from 01.07.1993 till the date of payment or 15.05.2008 whichever is earlier, otherwise charging of interest @ 18% p.a. till the date of payment. The port claimed the arbitration award amount from MoRTH and on receipt of the same from MoRTH, it was paid to DCI on 26.08.2016. However, MoRTH did not release the interest component. DCI is claiming interest from the port. Port has taken the stand that the outstanding amount could be paid only if the amount is released by MoRTH. Hence, the matter is being persuaded with the MoRTH and MoPSW.

Now, DCI vide letter dated 15.04.2024 has claimed revised interest of ₹17.37 crore as per Vivad se Viswas-II Scheme issued vide OM No F1/7/2022-PPD dated 29.05.2023 of Dept of Expenditure,

Ministry of Finance. CoPA is in the process of taking up the same with MoRTH under intimation to MoPSW.

c) Other Disclosures:

i) **Joint Venture with IWAI for RO-RO Operation**

As per the MOU entered between IWAI and Cochin Port on 08.10.2009, the management and operation of RO-RO Terminals at Bolgatty Island and Willingdon Island will be carried out jointly by the port and IWAI by forming a Joint Management Committee (JMC) comprising of representatives of both the parties. As per the MOU, Port shall arrange for collection of terminal charges from the contractor and will prepare Annual Accounts of all transactions relating to the use of the terminals. The administrative expenditure shall be met out from the revenue earned and the net surplus generated will be shared in the ratio of 70% to IWAI and 30% to Cochin Port. A separate Bank Account in the name of JMC was opened to remit the amount received against terminal usage charges from the contractor.

Due to failure in complying with the tender conditions, the Port directed the party, M/s. Lots Shipping to stop the operation with effect from June 2017. Subsequently the party has invoked arbitration against the Port. As per the arbitration award dated 26.09.2019 issued in favour of M/s Lots Shipping Ltd. in connection an amount of ₹57,99,411/- was payable by the Port along with 9% interest from the date of the award till realization which was settled with onetime payment of ₹39,79,984/- on 12.04.2023 as per settlement Agreement signed on 16.02.2023.

ii) Outstanding dues from pre-1996 lessees.

With respect to Pre - 1996 lessees, port had charged revised lease rent based on TAMP notified rates 2010 in the year 2014. However, lessees filed litigation in the Hon'ble High Court of Kerala through Cochin Port Lease Holders Association and Interim Order was issued on 25.02.2015 to maintain status -quo in the matter. Meanwhile, estate rentals were once again revised vide TAMP Notification No. 304 dated 22.07.2016 and came into effect from 21.08.2016. Based on legal opinion obtained by the port, bills at TAMP notified rate was raised with effect from 21.08.2016 in respect of all lessees including pre-1996 lessees. However, Cochin Port Leaseholders Association along with 2 other petitioners (pre-1996 lessees) filed a petition vide WP(C) No. 12138/2017 (N) in the Hon'ble High Court of Kerala. Vide order dated 06.04.2017 and on interim stay for recovery of enhanced amounts was granted. Subsequently, Hon'ble High Court has vide Judgement dated 04.09.2019 dismissed the WP No.5974/2015 & 29/2015 in favour of Cochin Port. Accordingly, Cochin Port raised arrears bills for the differential amount in the lease rent as per TAMP 2010 i.e. from 01.10.2014 to 20.08.2016 on Feb 2020. Total arrears as on 31.03.2024 under litigation amounts to ₹1.54 crore, out of which, ₹0.66 crore pertains to the judgment referred.

iii) License fees on jetties

The Port collects license fees from boat Jetties and piers based on the CoPT (Licensing of Jetties, Slipways and Boat Pens) regulations, 1968 and its amendments in 1996. License fees initially was ₹1,297/- per Jetty per annum which was enhanced to ₹1,00,000 per Jetty per annum for those who rent out their jetties for tying up Valloms/boats belonging to others, the amendments were published in

the official Gazette on 13.05.2014 and the same was communicated to Jetty owners on 16.06.2014. Jetty owners filed Writ petition in the Hon'ble High Court of Kerala and interim Order was passed that if the petitioners pay 1/4th of the demand, no action shall be initiated against the petitioners Out of 287 jetties in use, only 65 owners have paid license fee. Balance is pending on account of litigation. Subsequently Port had reduced the rates and introduced a slab rate ranging between ₹2,000 to ₹1,00,000 depending on description of jetty. These rates have been factored in the general revision in SoR of Port by TAMP in the year 2016 which came into existence on 21.08.2016.

TAMP vide its Notification (22.10.2019) revised SOR for Jetties and notified the license fees at the rates fixed by Cochin Port's Board in 2016. Cochin Port Trust (Licensing of Jetties, Piers and slipways) Regulation, 2021 where in it was stipulated that jetty license fee would be as per SoR as prescribed by Section 48 and 49 of the MPT Act. The Legal cell of Cochin Port opined that since the WPs challenged the demand notices on the ground that the SOR was not approved by TAMP, fresh demand notice in accordance with Law can be always made. The status of the recovery of Jetty License fees is pending due to ongoing numerous litigations filed by the Jetty owners.

Since the matter is subjudice, the License Fee receivable is not accounted as income in books of accounts.

iv) Electricity bills of NTB & STB

The Port HT Electricity connection to North and South Tanker Berths was billed under HTII (Non-Industrial - Non-Commercial) Tariff. Consequent on revision of tariff, KSEB reclassified the tariff from HT II to HT IV (Commercial) w.e.f., 15.05.1999 and KSEB issued revised bill for the period from May 1999- July 2010 and raised demand

of arrears. Cochin Port Authority filed a petition before Consumer Grievance Redressal Forum (CGRF) of KSEBL against the demand of arrears and requested to retain the tariff as HT-II. However, the CGRF upheld the decision of KSEBL. Aggrieved on this, Cochin Port preferred an appeal before Hon'ble Electricity Ombudsman and the Ombudsman finally given order that the tariff of Cochin Port at NTB & STB to be retained under HT-II only. The KSEB filed a writ petition against the order of Ombudsman before Hon'ble High court of Kerala. The decision is yet to receive from Hon'ble High court of Kerala. The port is presently paying bill under HT-II tariff. The differential amount towards disputes is ₹1.44 crore as on 31.03.2024.

- (v) Port had filed a civil suit on 28.03.2014 against M/s. Tebma Shipyards Ltd., (TSL), before the Hon'ble Sub Court at Kochi to recover an amount of ₹1.05 crore with interest at the rate of 15%, which was incurred by Cochin Port to rectify the manufacturing defects noticed on the Tugs supplied by M/s. Tebma Shipyards Ltd. In this connection, TSL has submitted an affidavit dated 06.02.2015 before Hon'ble Sub Court, Kochi praying to direct the Cochin Port to refer the dispute for arbitration as stipulated in terms of Clause 45.0 of Agreement Dated 05.10.2006. The Court had directed to refer the matter for arbitration and both the parties have appointed arbitrators. However, the Arbitrator nominated by TSL, informed M/s. Tebma Shipyards that he is not in a position to act as Arbitrator in the above dispute. In the meantime, M/s. Cochin Shipyard Limited (CSL) has taken over Tebma Shipyards as their wholly owned subsidiary. The claim of Cochin Port was not part of resolution plan.

In the resolution plan of NCLT, there is no amount allocated for contingent liabilities for pending litigations. Hence even if any claim is raised by any party under litigation, no amounts could have been received. Further, consequent to IBC proceedings, all claims which are not part of resolution plan shall also stand extinguished. Hence CoPA cannot recover any amount from CSL in view of order of NCLT.

- (vi) In the case of estate rentals, billing has not been made in those cases for which port has issued resumption notice and eviction is under process. There are 12 lease cases for which billing has been stopped due to the initiation of Public Property Act/resumption notice issued/litigation.

The License Fee / Lease rental income receivable which are disputed due to court cases being sub-judice are not accounted as income in books of accounts.

- (vii) Details of Building taken over from lessees, not handed over as on 31.03.2024
